Indianapolis, IN 46204

SEP 10 2008

Chris,

On behalf of a grateful state, I want to thank you for your help during the June flooding and rescue effort.

Steve Stafford of the Lawrence County Sheriff's office relayed to me reports of your loan of experimental hovercraft that, ultimately helped him in 32 rescue missions.

We appreciate your service to our communities and to Hoosiers in need.

Thanks again.
