U.S. Export Control Statement

To Whom It May Concern

RE: ECCN Listing Regulation

Ref: <https://www.bis.doc.gov/index.php/documents/regulations-docs/>

Commerce Control List Part 774 Category 8 MARINE **8A992** is the only listing which relates to our products. We have studied 8A992 which lists “Vessels, marine systems or equipment”. This categorizes our product explicitly.

The law states that if it applies to our product(s) or any product(s) we have ever made then export restrictions may apply.

As none of these conditions apply to our products (Hovercraft or Air Cushion Vessels) there is no basis for any restriction on the export of light hovercraft for pleasure or rescue purposes.
